## POSITION STATEMENT

### PROPOSED AMENDMENTS BY THE FEDERAL TRADE COMMISSION FOR TELEMARKETING SALES RULE-16 CFR PART 310

The Police Officers Association of Michigan (**POAM**) opposes the amendments to the telemarketing sales rule proposed by the Federal Trade Commission. **POAM** represents over **10,000** law enforcement employees in the State of Michigan.

**POAM** and the local associations made up of **POAM**, are non-profit organizations. **POAM** opposes a national "DO NOT CALL" list. **POAM** and the agencies we employ to solicit donations on behalf of police officers are highly regulated in the State of Michigan and currently maintain a do not call list. However, the use of a national do not call list is both unneeded and unnecessary and would cause great harm to this organization and the police officers we represent.. This is a state issue that should remain under state control.
